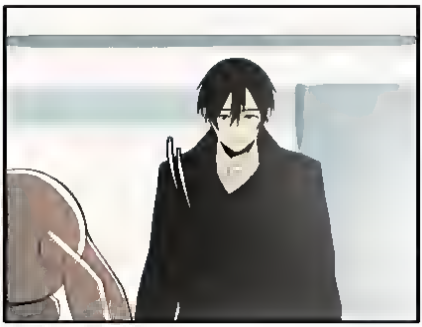
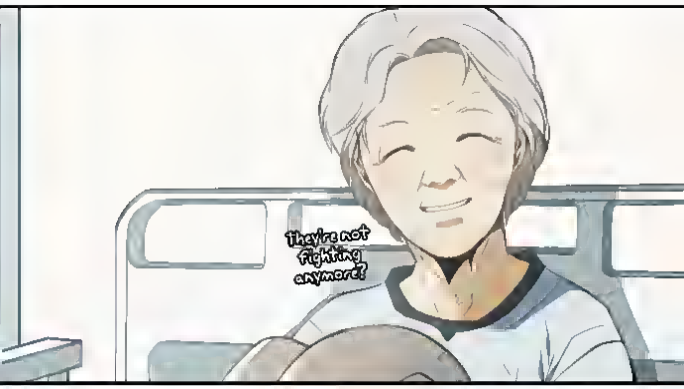
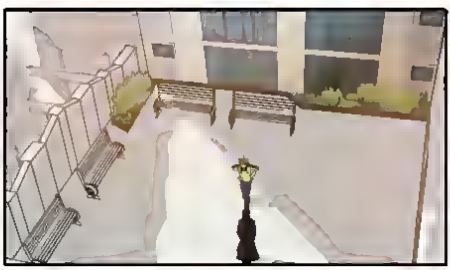
YOU'RE HER FAMILY!! HMM? YOU'RE HER FAMILY?

LOOK AT YOUR BIRTH CERTIFICATE YOU'RE STRANGER TO HER!!
stop





They're not fighting anymore!



Woah, you're really something. You can't find out anything about the family you've barely searched for
You still haven't found your parents?
It seems like they went overseas.

THEY LEFT BEHIND AN ALZHEIMER PATIENT AND WENT TO ANOTHER COUNTRY?
Yeah, they left her behind.

You know that you've been acting weird lately, right?

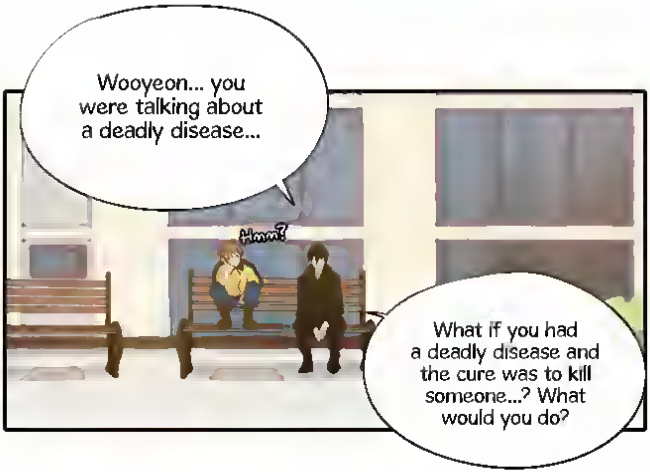
You quit that job that was going so well,
and you're searching for your family like never before

What kind of
DEADLY DISEASE
have you contracted?

...
...That

JOKING!
Lighten up~

The reason is
obvious



Wooyeon... you were talking about a deadly disease...
Hmm?
What if you had a deadly disease and the cure was to kill someone...? What would you do?

WHAT THE HELL? Are you trafficking organs?
?
?
No, nothing like that

What are you trying to say?
I don't know either.

You really are weird. You should go back to being a selfish sucker like before.
YOU WANT TO GET HIT AGAIN?
When,
I see that all that's left around me, are people LIKE YOU, it seems like I haven't really lived.
I think you're abusing me in a weird way.

Say thank you!
lean

Ever since I was young, you always abused me.
And even when you were an outcast I was always the person you were thankful to have by your side.
DON'T FOLLOW ME!!
tience

What part was I thankful for?

What's that?

You asked for an ID card.

Oh really?
Cli-click

You're giving me
your ID card?

Just for
a little while.
Take care of
Grandma.

OK.
You're not going to ask why?
Even if I ask, YOU WON'T TELL ME.

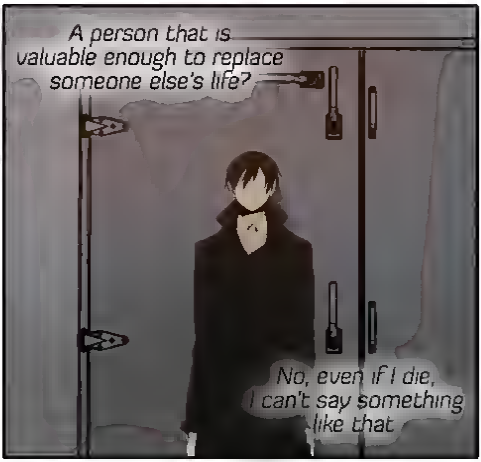
There are still old buildings like this around?

press
drop

...

Instead,
If you have the courage to kill someone.

plop
Am I



A person that is valuable enough to replace someone else's life?
No, even if I die, I can't say something like that

You're really weird. You should go back to being a selfish sucker like before.
YOU WANT TO GET HIT AGAIN?

Ok then

cVee
ee
One more time... just one more time.

What kind
of place is this?

Oh my.

We have a customer?
Why are you here?

I came here because...
I know why you came.
step
step

step
There is only one reason anyone comes here.
You know too, right? What you MUST DO to save yourself?
tense

WHO DO I HAVE TO KILL?
step

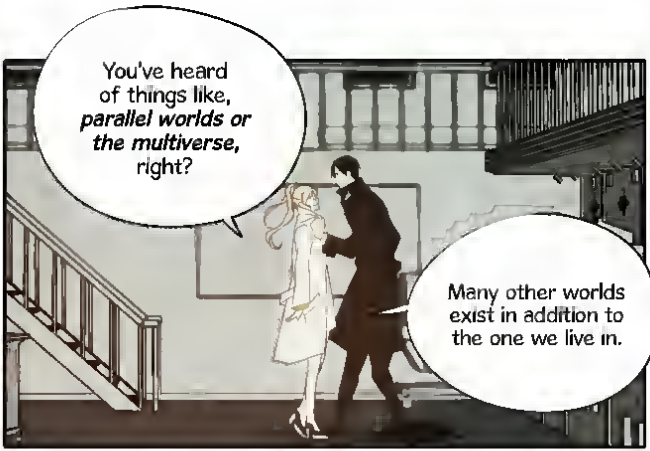
Yourself!

...Huh?!

GRAB
DON'T PLAY WITH ME!

LOOK AT ME!
Is playing with someone's life fun?
Do you know how conflicted I was coming here!
Let me finish speaking. You do have to kill yourself, but, not this you.
WHAT THE HELL DID YOU SAY? EXPLAIN IT SO THAT I UNDERSTAND!

I'm not sure, maybe this will explain it.



You've heard of things like, ***parallel worlds or the multiverse,*** right?
Many other worlds exist in addition to the one we live in.

And in these different worlds, there are people that look like me, but live completely different lives, AS MY DOPPELGANGER.

But, if you kill your doppelganger, then that person's life force allows you to live instead.
How was that? A quick and short explanation, right?

What the hell is this,

Nonsense???

D-DAY

In order for me to live,
I have to kill the other me.
